Day 84: Which amount is missing?

Name _____ Date _____

I can solve a comparison problem when the bigger or the smaller amount is missing.

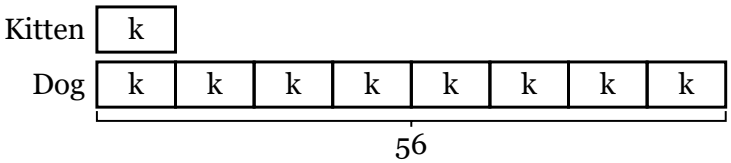

Read. Make two strips. Put the letter on the unknown. Equation. Solve. Answer in a sentence. Reread.

Example 1. A kitten weighs 7 pounds. A dog weighs 8 times as much as the kitten. How much does the dog weigh?

Equation: d = ____ × ____ d = ____ The dog weighs ____ pounds.

Example 2. A dog weighs 56 pounds. That is 8 times as much as a kitten weighs. How much does the kitten weigh?

Equation: ____ × k = ____ k = ____ The kitten weighs ____ pounds.

Fix it. The answer is wrong. Say what went wrong. Then draw the strips and do it right.

1. Lu says: "Jo has 12 shells. That is 2 times as many as Max has. So Max has 24 shells."

   What went wrong: _____

   Max has ____ shells.

Six problems. Who has more? Draw the strips first, on your strip sheet or grid paper. Then write the equation and a sentence.

1. Lin has 9 stickers. Gus has 4 times as many stickers as Lin. How many stickers does Gus have?

   Equation: _____ Answer: _____

2. A rope is 42 feet long. That is 6 times as long as a jump rope. How long is the jump rope?

   Equation: _____ Answer: _____

3. A bean plant is 8 inches tall. A sunflower is 9 times as tall as the bean plant. How tall is the sunflower?

   Equation: _____ Answer: _____

4. Zoe picked 45 apples. That is 5 times as many as Ben picked. How many apples did Ben pick?

   Equation: _____ Answer: _____

5. A short train has 50 seats. A long train has 7 times as many seats. How many seats does the long train have?

   Equation: _____ Answer: _____

6. A bus holds 48 people. That is 6 times as many as a van holds. How many people does the van hold?

   Equation: _____ Answer: _____

That is _____ times as many as _____. _____ has more, so the longer strip is _____.

The letter is on the _____ strip, so I _____.

Challenge. Ana's kite string is 5 times as long as Tim's. Ana's string is 35 feet long. How long is Tim's string? Equation: _____ Answer: _____
