Ready for number patterns

Name _____ Date _____

Write your answers on this sheet. For item 2, you may write or draw.

1. Write the next four numbers: 6, 12, 18, ___, ___, ___, ___.

Answer: _____

2. $4 \times 3 = 12$, $4 \times 5 = 20$, $4 \times 7 = 28$. Is 4 times a number always even? Write why, or draw.

Answer: _____

3. Circle the even numbers: 3, 8, 11, 14, 15, 17, 20.

Answer: _____
